Absorbent barrier carpet mat

Dust Control Matting - Carpet Mats 166 Guzzler™

Tough, long-lasting carpet mat with raised rubber borders on all 4 sides acts as a containment barrier and can hold up to 6 litres of water per square meter. The raised waffle pattern works double duty to remove and trap dirt and moisture.

- Rubber reinforced borders and backing provide maximum strength
- Suitable for medium duty traffic conditions
- Cleated backing minimizes movement on all surfaces and keeps mat elevated allowing wet hard floors to dry underneath

Recommended use

- Indoor
- For placement inside entrances in schools, universities, public buildings, sports facilities, shopping malls
- Medium duty
