539G Gripwalker™ 11 mm

Entrance mat with distinctive waved design

Dust Control Matting - Outdoor Contract & Installation Matting

539G Gripwalker™ 11 mm

The distinctive waved design of the Gripwalker™ matting creates a slip-resistant walking surface. The open grid of extruded vinyl scrapes dirt and moisture off shoes, allowing it to fall into the mat and not be tracked into the building.

- Heavy duty yet flexible material is durable, ultra violet resistant, performs well in different climates and adapts to any surface
- Its smooth surface makes it the ideal mat for wheeled access
- Oil resistant making it ideal for placement at petrol stations or entrances with oil exposure

Recommended use

- Indoor/Outdoor
- For placement inside entrances of hotels, shops, department stores, schools, universities, restaurants, supermarkets.
- Heavy duty
