

Life in Motion

muvman
INDUSTRY (ESD)

Productivity starts when long periods of standing stop.

The **muvman** INDUSTRY active standing seat lets you switch between working in sitting and standing positions and is specially designed for use in production, assembly, laboratories, etc. It meets stringent requirements for furnishing ergonomically aligned workplaces; not only is it extremely robust, but it is also cleanroom compatible and conductive (ESD), depending on the version.

muvman INDUSTRY

- ✓ **robust**
- ✓ **easy-care**
- ✓ **washable**

muvman INDUSTRY (ESD)

- ✓ **robust**
- ✓ **easy-care**
- ✓ **washable**
- ✓ **static dissipative**
