Interlocking wet area mat Modena is ideal for swimming pool surrounds, showers, spas, saunas and changing rooms. Unique line design of the tile allows water to easily drain off, providing slip resistant, safe and dry surface. Modena is warm and comfortable and ideal with barefoot traffic.

Modena wet area mat offers exceptional drainage and comfort all in a modular mat. Curved design of the lines promotes immediate drainage and unbacked construction allows water to pass through the mat. The soft surface of the mat provide comfortable cushion for bare feet.

Modena is easy and inexpensive to clean simply by mopping over or hosing down. Dirt that falls through the mat is easy to clean up from the floor underneath.
